

# MORNING GALLOPS AT WESTCHESTER.

Belmont's Anak Reels Off  
Mile and Quarter in 2.09—  
Belvino Turns Good Six  
Furlongs.

VAN NEST, N. Y., Oct. 7.—A deep fog enveloped the Morris Park course this morning in the early hours. In consequence the training was somewhat delayed and the strings did not make their appearance until the sun took command. The track had dried out thoroughly, and the races that had a try over it covered the ground at satisfactory speed. The big course is thronged with racers, and all during the morning the big and little strings were shown on the track at some variety of exercise.

J. R. & F. P. Keene's Futurita, Ring Dove, Prediction and Injunction, going in Indian file, reeled off six furlongs in 1:19.15. They finished about a length apart, going in hand.

August Belmont's Anak covered a mile and a quarter in 2:09. Mizzen, Masterman, Sallmaker and Flying Jib were allowed short breathers at three parts speed.

T. J. Healey sent Cinquevalle six furlongs in 1:20. Wild Thyme turned the distance in 1:19.12. Carbone, Glenneville, Extinguisher and others trotted and cantered.

The Goughacre Stable's Moor breezed a half in 0:55. Dublin, Shortnose and others were all shown, but nothing fast was wanted. Trainer A. J. Joyner showed Numbal, Maudslo, Royal, Empress, Sparklet, Sir Voorhes, Ada Nay, Miss Dorothy, Parisienne and others off to light jogging exercise.

J. E. Madden allowed Gunfire a mile in 1:50. Aceful, Irish Lad and others trotted and cantered. James Galway's Belvino turned six furlongs in 1:17. Trainer Thomas Walsh sent De Ruyck a mile in 1:40. Sanford & Sons' Tribes Hill covered six furlongs in 1:25. Maty Byrnes sent Flirtirene six furlongs in 1:18.1-2.

## New Distances for Runners in Irish A. A. Games.

The track events at the Irish Athletic games at Celtic Park, Oct. 19, will include the 120, 200, 1,600 and mile and a half runs, a departure from the regular distances in use at most athletic competitions.

## READY TO BEAT LIPTON AGAIN.

New York Y. C. Has Taken  
Steps to Meet Conditions  
Arising from Sir Thomas's  
Expected Challenge.

The New York Yacht Club will not be taken unawares by the arrival of the challenge from Sir Thomas Lipton for another year. The club is prepared for any conditions that may arise when Sir Thomas's document reaches New York. Money has been already secured from a syndicate of representative yachtsmen to defray the expense of the new defender, that the Herreshoffs will turn out.

C. Oliver Iselin may become the managing owner of the new boat and Capt. Charles Barr, it is believed, will be her sailing master. Barr sailed the Columbia twice in successful defense of the cup.

The Columbia and Constitution will be fitted out early and will be ready to try out the new defender as soon as possible after she is launched.

# THE LATEST NEWS IN THE WORLD OF SPORTS.

## FAMOUS CLUB-HOUSE AT MORRIS PARK, WHERE SOCIETY "PLUNGES."

LOOKING ACROSS THE FINISH LINE.

(PHOTO BY HEMMENT.)

It is believed that the meeting which began at Westchester this afternoon will be the last held on the famous old course. The march of improvement is irresistible and the property has been sold to a railroad company which proposes to lay its rails up the Eclipse course or thereabouts on the way to Portchester and Boston. Travelers in fifteen raw aspirants. This is the largest crowd of the Morris Park since the old Union race course.

It is a pity that Morris Park should be lost to the turf. John A. Morris was held out the course said that the intended to construct the most complete race course in the world. The writer leaves it to the judgment of the racing public if he succeeded in the plan. The grand stand on a hill so that every portion of the course was visible with-

out requiring the spectator to rise and stretch his neck.

The course was over a slight hill and at this there was loud complaint for a time, but Mr. Morris produced plans of English tracks and showed that the ascent and descent at Morris Park was infinitesimal as compared to some of those tracks.

The appointments were complete. There was nothing to be desired at Westchester. The landscape charmed

the eye and the woodlands encircling the course were superb.

No official announcement has been made of the demise of Westchester, but it is believed that it has been doomed. The property has been sold and it is only a question as to when the railroad will ask for possession.

The stake book issued by the association announces the National Stallion to be run in 1924 and the Sixth Matron to be run in 1925 over the Eclipse course. The

beautiful lawn in front is a most charming spot from which to view the races. The beautiful wooded roads are always filled with drags and coaches and automobiles. Women are always being prepared for their races. This is a privilege that the women delight in, but the opportunities for a close inspection of the thoroughbreds are not afforded at any other course save Saratoga.

Racing at Westchester is always high-class, and the present meeting will be no exception to the rule if the stake book can be taken as a guide.

Westchester Association must keep these contracts. If not at Westchester, then at some other course, probably Hempstead Plains.

Many famous races have been run over the Westchester course. Since the Jockey Club took control stakes have been increased and the tone of racing improved materially. ## GREY FRIAR BEATS ACEFUL IN RICH MATRON STAKES.

(Continued from First Page.)

roads about the track were jammed with them.

Save at Saratoga there has not been such a preponderance of handsomely-grown women on a race track this season. When the attendance had gathered the figures showed that 30,000 persons had passed the gates, truly a great crowd for a track so remote as this and so difficult of access.

The Great Aceful Beten.

The first running of the Matron Stakes as a double event was the principal attraction for those who came to spectate. As it stood the list of entries was enough to make it one of the racing events of the year, but added interest attached to it because it gave promise of a mighty duel between Whitney & Greyfriar, the two best horses in the country.

Aceful was the favorite at 1 to 3. Even at this price he was backed by punters and occasional spectators alike. It was believed that Mr. Madden had the colt in such shape that he could not lose, and additional reason for winning with him was the fact that it was to be his last appearance in this country this season, as he is to be sent to England.

Grey Friar at 7 to 1 was played by students of form on a chance, and right well were they rewarded. He finished two heads in front of Aceful in a finish that made 60,000 eyes stare and caused 30,000 voices to arise in cheer.

Other features of the card were the Handicap and Jerome Handicap, which were played with high-class attractions. It was a pity that there could not have been better fields engaged.

Seven furlongs of Withers mile; maidens of one mile race only in 1922; three-year-olds and upward.

Starters, white, jocks, St. H. Fin. Sir Place.

Remora, 108, Redfern, 4 3/4 15 9-10 2-3

Amur, 112, Lyne, 4 3/4 15 9-10 2-3

Valley Forge, 105, Martin, 3 1/2 14 20 1-2

The Duke, 105, Lyne, 3 1/2 14 20 1-2

Chast, 108, Cochran, 3 1/2 14 20 1-2

Tape, 108, Shes, 3 1/2 14 20 1-2

Start good. Won driving. Time—1:28.1-4.

Valley Forge had the most speed and showed the way to the stretch followed by The Duke, Chast and Emshue. He held this order to the stretch, where Remora and Emshue closed on him. The Duke and Remora drew away with Emshue. In a drive Remora was a head before Emshue, who was a length and a half in front of Amur.

SECOND RACE.

Handicap; for three-year-olds and up, the Eclipse course.

Starters, white, jocks, St. H. Fin. Sir Place.

King Pepper, 120, Redfern, 2 1/2 11 10 5-8

Belle of Lox, 110, Lyne, 2 1/2 11 10 5-8

Unassail, 100, Lyne, 2 1/2 11 10 5-8

Welsh, 108, Lyne, 2 1/2 11 10 5-8

Merry Acrobat, 108, Smith, 2 1/2 11 10 5-8

Extinguisher, 109, Shes, 2 1/2 11 10 5-8

Musette, 115, Landry, 2 1/2 11 10 5-8

Start good. Won driving. Time—1:11.2.

After a short delay in the post the field broke in good order with King Pepper and the leaders, and they raced together until within a furlong from home. Belle of Loxington then moved up and by a narrow margin she won. King Pepper through Redfern's good riding the winner by a short head. Belle of Loxington was a head before Unassail, Musette broke down at the dip and Landry had to pull her up.

THIRD RACE.

Matron Stakes, two-year-old colts; Eclipse course.

Starters, white, jocks, St. H. Fin. Sir Place.

Grey Friar, 124, Turner, 1 20 10 7 8-5

Amur, 112, Lyne, 1 20 10 7 8-5

Awful, 122, Chas, 1 20 10 7 8-5

Fire Steer, 110, Lyne, 3 1/2 14 20 1-2

Merry Acrobat, 108, Smith, 3 1/2 14 20 1-2

Red Ribbon, 114, Odom, 3 1/2 14 20 1-2

Start good. Won driving. Time—1:11.2.

Aceful ruled a prohibitive favorite in the Matron Stakes and he won in style and at the end he could only run third. When the field was rushed to the front and made the running, a length before Grey Friar and Aceful, to the last furlong. Grey Friar

roads about the track were jammed with them.
